THE NEW MEETING POINT IN CANNING

PALACIO PRIDE

We proudly introduce Palacio Pride Hotel, located in the heart of Buenos Aires' city center. This exceptional project seamlessly merges the historic architecture of a Belle Époque building from the early 20th century with a disruptive modern volumetric design inspired by New York's Soho district.

An extraordinary fusion of art, design, and architecture, embodying the essence of PRIDE DEVELOPER, in collaboration with the world's leading luxury hotel chain.
